What you see

1. Choose the site or subzone from the list of sites/BGCs you've run; then choose the site series of interest
2. Suitability ratings from the CFRG colour-themed for feasibility trend. See colour-legend (b)
3. CCISS feasibility ratings colour-themed for feasibility trend. See colour-legend (b)
4. The base-line historic species environmental suitability rating
5. Stocking standards from the CFRG.

Options

- a. Toggle to change report type between detailed report or summary report
- b. Colour legend for trajectory of feasibility.
